Learning Workshops

Drive Business Efficiency with Document Management in the Cloud

9:00A–9:50A & 12:00NOON–12:50P

Looking to reduce cost, streamline productivity, and gain better insight into business processes? Learn how a cloud-host document management solution improves the management and distribution of business content by providing secure and immediate access to information.

Business Continuity and Disaster Recovery

10:00A–10:50A & 1:00P–1:50P

What would you do when confronted with unplanned events, like natural disasters, technology failures, malicious activity or user errors that impair or halt your operations? Learn how business continuity and disaster recovery will protect data and systems and dramatically reduce downtime.

GoldFax – Pure Cloud Faxing™

11:00A–11:50A & 2:00P–2:50P

Pure Cloud Faxing™ lets you fax from your computer, smart device, MFP's quickly and easily. No up-front costs or long-term contracts. Eliminate long distance charges when sending faxes within the US and Canada, no need for on-site fax telephone lines or costly fax telephone service.

KEYNOTE ADDRESS: NEW SALES AND MARKETING STRATEGIES TO GROW YOUR BUSINESS 3:00P–4:00P

Darrell Amy, renowned digital marketing expert addresses how to grow new business in today's challenging technology driven environment. According to Corporate Executive Board research, buyers are over 70% of the way through their decision-making process before engaging with a company. What if you could use these trends to grow your business and develop a competitive advantage. Discover new ways to attract buyers online, convert them to sales opportunities, and to increase your revenue.
